

VMworld Europe 2010 Social Media Contributors - Copenhagen

VMworld Europe 2010 (Copenhagen) is going to be a whirlwind of technology and social activity. Let's keep in touch! If you are going to VMworld Europe 2010 in Copenhagen (or will be covering from remote) and will actively use your blog(s), Twitter account, etc. to cover the conference, please add yourself to the list below.

We'll pull your blog and Twitter feeds from this list to aggregate and feature on VMworld.com. *Note: This list is for VMworld Europe only.* Please tweet and blog this URL for other social media contributors to add their details: <http://vmware.com/go/vmworld-contributors>. *Note: The previous U.S. list has been locked, but can be <http://vmworld.com/docs/DOC-4671>. * You can edit this document! * To add your info below, first <http://www.vmworld.com/login.jspx>. Then click the "Edit Document" link in the Actions box on the right. Click inside the table below and then add a row to the table to add your details (there's an "add a row" icon in the editor). Please use the table to list your info rather than post comments to this document.
