

VMworld Europe 2008 Sessions

[Tony Dunn](#) 261 posts since

Sep 10, 2007

All presentations from VMworld Europe 2008 have now been posted at http://www.vmworld.com/vmworld/sessions_attendees_europe.jspa. These are available to paid attendees from VMworld Europe 2008 or VMworld 2007 only. Videos have been made available for 16 of these sessions. Hands-on Labs have not been posted online.

We are responding to all access inquiries sent to <http://www.vmworld.com/vmworld/contact.jspa> regarding access to this content if you were a paid attendee. You should receive a response email with username/password if you are entitled to access.

For more information on access, please view <http://www.vmworld.com/vmworld/static/account.html>.

cheers,

~Tony
