

Do you have reservations with the use...

Daryl Brydie 2 posts since

Jun 5, 2008

You may be interested in participating in my research project. Below is the link required to access the survey instrument. Please feel free to contact me if you have any questions, comments, or suggestions related to the research project or your participation in it. Also, if you know anyone else who may be interested, please forward the link to them as well. Please be aware that the survey will close down on Sunday, November 23, 2008 at midnight.
