This year at VMworld 2008 in Las Vegas, we asked attendees how virtualization has impacted them and captured their responses in a series of video confessionals. These videos are now available in the following categories.

[What Has Virtualization Done for Your Bottom Line?](#)

[Dont Be Shy](#)

[How Do You Use Virtualization?](#)

[How Has Virtualization Improved Your Life?](#)

[What Does Virtualization Mean to You?](#)

[Have You Done Something Unique with Virtualization?](#)

[Tell Us Your Story](#)

Thank you to all participants, who can now say: **"I Confessed at VMworld 2008!"**
