Anyone know when we'll be able to sign up for sessions/tracks, etc?

Slated for mid July. Check back on the VMworld 2009 website, <http://vmworld.com/community/conferences/2009/> for frequent updates. The session catalog will be available for viewing in June.

Never mind... answered my own question. Information regarding sessions can be found in the FAQ at:

<http://www.vmworld2009.com/community/conferences/2009/registration/faqs/#6>
