

Securing Shared Virtual Infrastructure...

[poornima](#) 1 posts since

Sep 20, 2007

Hi All,

We have seen many VMsafe questions on other forums. Please join VMware and Altor to understand what are VMsafe APIs and how solutions like Altor VF integrate with them to make the virtual infrastructure more secure than their physical counterpart.

<http://www.vmware.com/a/webcasts/details/269>

Thank you,

Poornima
