Last year in Vegas I arrived on Sunday and was also able to complete my registration to avoid the lengthy line ups on Monday. Does anyone know if this will be the same this year?

Thanks

Heath

I remember registering on Sunday also. I was expecting to be able to do that again. Now it looks like I have to get up early and go stand in line. Hopefully I'll get through the line in time for my first lab on Monday at 7:30am.
