We're getting very excited for this years booth theatre presentations. Be sure to come by booth #1801 to hear Dell's experts discuss the following topics:

&#159;10 Gigabit Ethernet in a VMware Environment

&#159;Accelerating The Benefits of Virtualization

&#159;Automated Disaster Recovery in the Virtual Data Center

&#159;Dell |EMC Storage Solutions for the Virtual Enterprise

&#159;Dell Open Systems Management &#159;Dell Solutions To Power the Efficient Enterprise

&#159;Effective Backup and Recovery Using Backup Appliances

&#159;Flexible Solutions for Virtualizing the Desktop

&#159;Inside Dell's 11th Generation PowerEdge Servers

&#159;Optimizing the Data Center to Maximize Return

&#159;Quick Recovery of Microsoft Applications

&#159;Using Dell's Online Advisor To Plan Your Virtual Infrastructure

&#159;Virtual Servers Meet Virtual Storage
