Hi, Everyone

I would like to know more about Vmware.

Before I worked with Vmware Workstaion and I have used it for gain ng simultaneously Windows and Unix SCO

Actullay I enjoyed when I use this VMware Station and in opration it was very acceptable.

I could save money.

But at Now I would like how can I a training course for sure If it can be on line It is Ideal and it is easier than the other way.

pass a train course and taking a...

Please help me.

Hi

There was a very good discussion on the vmware communities that may be very beneficial to you

pass a train course and taking a...
